Private Treaty Sales

Open House April 1, 2023

Gillett Ranch, Beaverdam AB

Welcome

We would like to welcome you to our 2023 Annual Open House and Bull Offering! The Open House is a chance for us to meet new people and say thank you to our previous buyers. All taking place right at the Gillett Ranch on April 1!

We are very pleased with the quality of bulls we have on offer this year. This is the largest, most consistent group we have ever had. We have a large selection of calving ease bulls, as well as larger performance bulls to put pounds on your calves in the fall. We are confident we have a bull that will fit your needs. Our herd of cows is always moving forward with genetics. We have been heavily AI'ing and this January had our first embryo calves hit the ground. We have been focusing on finding genetics with strong foot and correct leg structure. It is important that our cattle we raise are functional to create working bulls that will last the test of time in your operations.

We have continued this year with selling our bulls for sale by private treaty allowing you to come at a date and time that works for you in a low pressure situation. Our cow herd is close, we would love to show you the dam of any bull. We hope that you will come stop in on April 1 for lunch and refreshments. The Open House will run from 11 - 4 PM, we look forward to seeing you!

Sincerely,

Colbie, Jaynell, Boaz & Wacey Coglon-Pasichnik

Box 5313 Bonnyville, AB T9N 2G5

- K-Cow Design - 780-614-5255

TWO YEAR OLD BULLS

Our two year old bull group might be small in quantity but high in quality. These are March born bulls packed with performance and would be best suited for cows. Ranch raised, summered pastured on grass June -November with no creep feed. All three have excellent temperaments and are easy to work with. If you're in the market for an extra age bull contact us, these boys are ready to go to work,

- His Dam is being used in our flush program and would absolutely love to show you her!
- Sired by a Red SSS Granite 74H
- 68K is a moderate sized bull, stout, easy keeper.
- If you looking to make some replacements females, this bull is going to help you out.

Sire of CGW 68K

Dam of CGW 68K

Sire of CGW 50K & CGW 54K

- Red Blood has given us two very complete dark red bulls
- If you looking to improve foot structure, these two are great options, solid black feet on both.
- Great temperament, which I have found typical of the red bloods
- We have paternal sisters with calves on the ground and are making great mothers with lots of milk!
